### WELLBEING & PROTECTION: CHILDREN & YOUNG PEOPLE POLICY

We, the Club, believe that Good Practice at Western Baths Water Polo Club is as follows;

1. The safeguarding of children is everyone's responsibility, particularly when it comes to protecting children from abuse. Everyone in aquatics – administrator, Club official, coach, parent, friend, children themselves, everyone – can help. Children and young people have a lot to gain from aquatics. Their natural sense of fun and spontaneity can blossom in positive sporting environments. Aquatics provide an excellent opportunity for children to learn new skills, become more confident and maximise their own unique potential. The Club will place the needs of the child first and winning and competition second.

2. The underlying principles with respect to Wellbeing & Child Protection are that:

- The child's well-being is the first consideration
- All children, regardless of age, any disability they have, gender, racial origin, religious belief and sexual identity have a right to be protected from abuse
- Children and young people must be treated with integrity and respect
- Children and young peoples' programmes and competitions will be relevant to their ages and stages of development

3. We are committed to following the current Scottish Swimming's Wellbeing & Protection: Child & Young People policy & guidelines. All our volunteers / staff are members of Scottish Swimming.
